

INSTANT WIN GAMING

IWG and Loto-Québec Sign New Contract

Company will continue to Deliver InstantGames™ eInstants

Loto-Québec's Multiplicateur Surprise Double Boni eInstants

Wednesday February 23, 2022: Instant Win Gaming (IWG), a leading supplier of digital eInstant games to NASPL/WLA-member lotteries, has signed a new contract with Loto-Québec. Under this contract, IWG will continue to supply its full suite of InstantGames™ digital eInstants. IWG has been an eInstant supplier to Loto-Québec since 2015.

IWG currently supplies eInstants to 10 iLottery programs in North America. This deal with Loto-Québec follows the Company's recent contract extension awarded by long-term partner the British Columbia Lottery Corporation (BCLC). These latest agreements further demonstrate the commitment and faith that Canada's leading lotteries place on IWG to provide quality eInstant games that appeal to the widest audience.

Anne-Marie Voyer, Director of Lottery Products & Development at Loto-Québec, said: "IWG continues to be an important partner for us. We know the high level of commitment and drive that IWG has for the eInstant category. The team delivers new concepts that keeps evolving our offering and brings new experiences for our players to enjoy."

Rhydian Fisher, IWG CEO, said: "We are very proud of our long-term partnership with Loto-Québec. Securing this new contract is fantastic news for IWG and will see us work alongside Loto-Québec for over a decade. The continued trust the lottery places on our range of InstantGames™ is truly appreciated and we're ready to step up our partnership to ensure its iLottery program receives even more unique and powerful content."

About IWG

IWG is the world leader in supplying digital e-Instant and instant win games to WLA and NASPL-member lotteries. It has 20 years' experience of making top selling, high quality games and the strategic know how to make them work.

Each year, IWG develops more than 300 new InstantGames™ for its global base of lottery customers. Its games consistently perform at the highest level, engaging and retaining players while driving superior sales results. It has the knowledge to deliver winning game portfolios, and the experience to make them grow.

IWG delivers an end-to-end solution covering all aspects of e-Instant development and portfolio management. The Company's InstantRGS™ (remote game server) delivers its content in multiple regulated jurisdictions from data centers in the UK, Gibraltar, Canada and North America. It has a broad library available via its InstantRGS with games covering many proven themes and mechanics that can be developed into an ideal offering for a partner's e-Instant and/or instant win program.
